Sponsored by the Porcupine Miner's Memorial (Only 300 seats available and can be booked in blocks)  
*The Gala Dinner* will kick-off "THE BIG EVENT" and represent an excellent beginning to a concentrated environment of networking. 5 guest speakers from producing mines in North Central Canada will address an audience consisting of suppliers, human resource representatives and technology enablers. *Tuesday May 15th 7:00 P.M. McIntyre Ballroom*

### "Discover Prospecting" Course

A one day course on the basics of prospecting. If you enjoy the outdoors, have an interest in the environment in which you live, or just want to know more about prospecting. This is an introduction to the basics of what could be a rewarding hobby or a life long profession. Become familiar with common rocks, minerals and their classification, mineral deposit types and associations, land acquisition and maintenance, and prospecting techniques.
